REAP Certificate II Initial Competencies Matrix

	Qualification:	Cert II in Rural Operations	Cert II in Conservation and Land Management	Cert II in Horticulture (Parks and Gardens)	Cert II in Forest Growing and Management	Certificate II in Metalliferous Mining Operations (Processing)	Certificate II in Production Support	Cert II in Civil Construction	Cert II in Local Government	Certificate II in Transport & Logistics (Warehousing & Storage)	Certificate II in Manufactured Mineral Products
	Code:	RTE20703	RTD20102	RTF20703	FPI20105	MNM20306	PMC20204	BCC20107	LGA20104	TLI20107	PMC20104
	Qualification Requirements:	Group A - 4 core units, Group B plus 6 from any Rural Training Package including RTD02 Conservation and Land, RTE 03 Rural production or RTF Amenity Horticulture Group C plus 7 from any other Training Package.	5 core units, Group B plus 8 from the package plus 2 from Group C or any other package.	4 Core 5 and 10 group A 0 & 8 Group B AND 0 & 3 Group C.	Group A 6 core units, Group B 3-7 from within package and max 4 from Group C or any other training package.	5 core and 7 elective units of which 5 come from the package and 2 from any other package.	6 core units and 1 of the following units Make Measurements and Read Dials and Indicators and between 2 and nine units from Operations and Support and maximum seven units from other endorsed packages.	13 core plus 6 electives one of which may come from another package.	Group A - 5 or more or more common units (Core) + 5 electives from Local Government or from any other Training Package.	Seven units aligned at AQF 2 made up of: 5and up to 7 units from listed units, plus 2 from any training package. And 7 at AQF1 made up 5 to seven at AQF level and 2 from any other Training Package	6 core units and 1 of the following units Make Measurements and Read Dials and Indicators and between 2 and nine units from Manufactured Mineral Products and maximum seven units from other endorsed packages.
