

# Why Are We Doing This

- √ Pure economic development
- √ Maintaining the population and where possible growing the population
- √ Maintaining and enhancing socialisation and social harmony through increased participation in sporting teams, social groups and service clubs
- √ Keep open, vibrant and progressive local hospitals, health services, schools, police services, primary, secondary and tertiary industries
- √ Targeting newly married couples who have young families or are likely to commence a family

# What Are We Doing

- √ Developing funding models with Governments and the Private Sector
- √ Making a financial commitment to support models
- √ Ideal model for Orroroo Carrieton is a partnership with funding from the Federal and State Government, Local Government and the Private Sector
- √ Conducting forums with local schools and community groups to inform potential candidates of opportunities
- √ Developed a communications strategy and providing regular media to the community
